

Summerfield Schools Millage Renewal August 8th

Non-Homestead Operating Millage Renewal

The Non-Homestead Operating Millage Renewal is integral to funding the day-to-day functions of local schools. By law, school districts may collect up to 18 mills to fill the entire foundation allowance for every student, renewed by Petersburg voters every 5 years.

As a homeowner, the Non-Homestead Operating Millage will NOT impact your property taxes.

If this millage passes your taxes will NOT go up, if this millage fails your taxes will NOT go down.

GO DAWGS!!!
