Summerfield Elementary School

School Annual Education Report (AER) Cover Letter

January 5, 2023

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2021-22 educational progress for Summerfield Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Jodi Bucher for assistance.

The AER is available for you to review electronically by visiting the following [website](#) or you may review a copy in the main office at your child's school.

For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2021-22. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was not identified as one of these labels.

There is only one elementary school within the district where all elementary aged students attend. Every spring, parents have the opportunity to submit in writing their child's educational needs so they can be matched with the best to teacher to meet their needs.

Our school improvement plan is in the second year of a five year plan. The focus of our plan is on increasing student achievement in all content areas with a hyper focus on literacy and math. Our curriculum is aligned with the Michigan

State Standards that can be accessed on the Michigan Department of Education website.

We are also working on meeting the social emotional needs of our students. We are targeting this area with large group, small group as well as individual. It is our belief that meeting these needs will in turn increase student achievement.

Any other questions about the curriculum can be addressed to the principal, Jodi Bucher via bucherj@summerfield.k12.mi.us.

Parent teacher conferences are held twice a year with 85%-90% attendance. As always, we are committed to providing a quality education for Summerfield students. Parents and community members are welcome to view our school improvement plan, visit our school, and are encouraged to be active in our school.

The Summerfield teachers and staff are continually working to meet the needs of all students, and prepare them for their future.

Educationally,

Jodi Bucher
Principal
